

**SENSES Wellness Awards 2010  
...and the Winner is...**

**ISLAND HIDEAWAY SPA RESORT & MARINA, DHONAKULHI, MALDIVES**

We herewith officially confirm that the Winner of the SENSES Wellness Awards 2010 in the category “Best SPA in a Beach Resort” is ISLAND HIDEAWAY SPA RESORT & MARINA, Dhonakulhi, Maldives.

SENSES Editors and SENSES Award Jurors have selected ISLAND HIDEAWAY SPA RESORT & MARINA among 550 other Hotels and Resorts world wide in 7 categories. The SENSES Wellness Award, category “Best SPA in a Beach Resort” stands for service excellence, international world class standards and a SPA concept that combines tradition and nowadays standards on highest levels for international, sophisticated travellers and their needs.

The annual SENSES Wellness Awards held to coincide with the ITB International Tourism Fair in Berlin have already become an international barometer, especially as a hallmark of excellence for the Wellness industry as a whole. No doubt this is because when selecting a winner, the editorial team takes the approach of an international jury, evaluating the nominated hotels according to a number of criteria such as the range of treatments available at the SPA, quality of service, standard, professional SPA Management, etc.

We are very proud that the SENSES Wellness Award given for the 12<sup>th</sup> time now has been able to establish itself as both an international and an independent barometer for the entire industry.

Congratulation to Management & Staff of Island Hideaway SPA Resort & Marina!

Sincerely yours
